# Looking to Say Thank you

'Mrs. D'

'Mr. G'

Each of the the young men & women pictured in the previous section owes a sincere debt of gratitude to two faculty members who served as class advisors and role models throughout all or part of our Medford High experience. Few, if any seniors realize the amount of work and dedication required to coordinate the events, accomplish all the goals, and support the time tested traditions of Medford High School. Memories pictured and described in this publication were made possible through the efforts of:

**Mrs. Nancy DeCristofaro  
&  
Mr. Jay Griffin**

A special thank you is given to  
**Mrs. Margaret Kane** for the time and dedication contributed to the class of '95 as  
freshman class advisor.

# Directory

## The Directory for the Medford High School Class of 1995

A funny thing happened on the way to the yearbook. Due to concerns about general cost issues, the yearbook staff decided to limit the size of each senior's write-up. The decision was made to allow a specific number of typeset characters for each senior. This is when the class of 1995 displayed its unique strategy. How could they squeeze in as much as possible and not break the rules . . . The ansr wuz 2 spel the wrds the wey they sounded.

As a result, the first read will be an adventure, but the results will be successful. Have fun and enjoy the memories.

# When we look back at

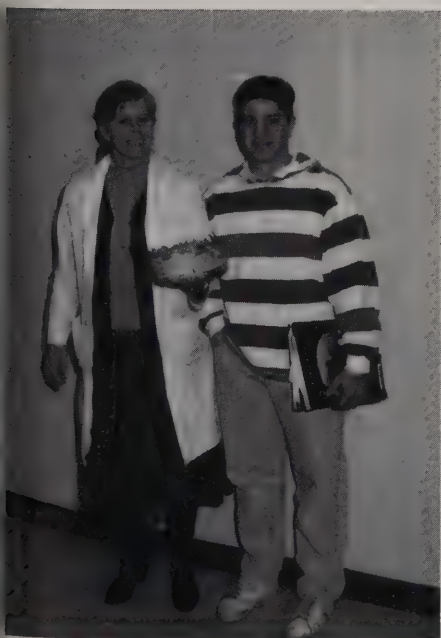

our high school years and reflect on how we spent our time, what is most significant? Is it the hours spent in study and academics, or the friendships developed between the students and faculty during our free time? In the long run, they are equally important

One of the goals of education is to effectively prepare the young to continue to educate themselves throughout their lives. This is a true opportunity that the M.H.S. faculty and administration have provided this for the class of 1995. In years to come, we may not remember any of the geometric proofs, vocabulary words, or how many days we had in detention, the one thing we will remember is how we have been affected by our encounters with the teachers, administration and students of Medford High School.

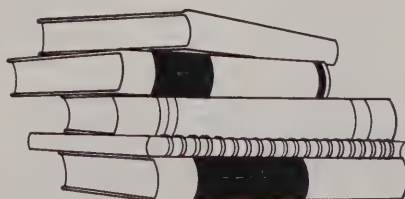

Cheryl Heckbert tell Ms. Liu, "I can type even with my eyes closed."

## MHS Faculty

Ms. Margles shows off her student Matt Marino's latest art project.

Michelle Garland and Michael Ciulla listen as Ms. Depasquale explains an important matter.

Jessica Johnson and Jaida Mongello look on as Mr. Campagnoni explains one of the finer points of Math.

## P. Daniel Donovan

From the most feared authoritative position in Medford High school, came a most prominent, inspirational role model - Mr. P. Daniel Donovan. He is as strong as the Mighty Mustang, but often let his other softer side shine through. He was dedicated to the job he loved and has worked effectively as a facilitator with the student body and faculty.

Mr. Donovan, a lifelong Medford resident, graduated from Medford High School in 1946, and did his undergraduate and graduate studies at Suffolk University. Graduating in 1953 and 1961 he earned a Bachelors of Arts and a Master's in Education, respectively.

Before beginning his tenure as submaster at the High School, Mr. Donovan taught English at the Lincoln Junior High and shortly after moved to the high school level.

Mr. Donovan enjoyed his work and lived each day to its fullest. He has earned respect from the students and faculty and others who's lives he has touched. On behalf of the Class of 1995 we wish you the best and remind you never to sever the eternal blue and white ties that run through you.

## Dedication

### Ms. Elizabeth DePasquale

As each day started we were greeted in the hallway by Ms. DePasquale's brilliant and warm smile that somehow always made it a little easier to start the day. Ms. DePasquale is a rare type of person. She treats us as individuals and as if we were her own children. In her eyes we could do no wrong. She is persistent, extremely energetic and devoted to her students beyond the call of duty; all qualities that will surely be missed.

Ms. DePasquale attended the State Teachers College and earned a Bachelors of Science. From there she furthered her education at Boston University earning a Master's in Education. Ms. DePasquale's education can also be accredited to schooling at Depause University, Vassar College and Wellesley College.

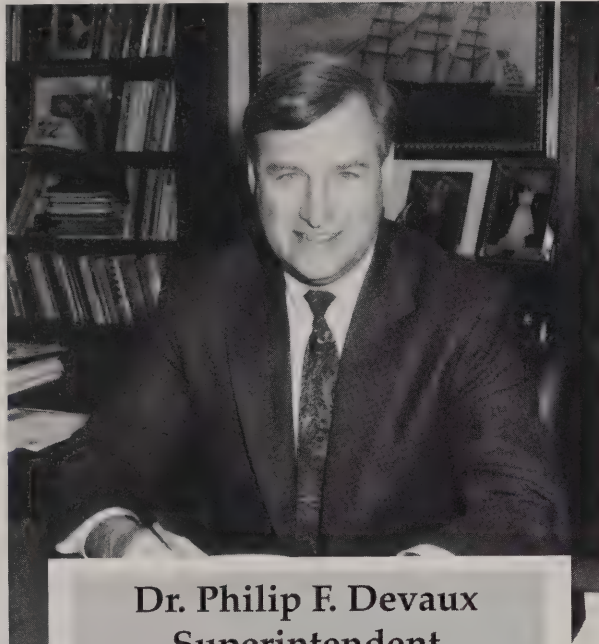

Ms. DePasquale's esteemed career began at the Dame School in 1955 as a science teacher. Continuing to teach science, she moved onto the Roberts Junior High, in 1961, and then onto Medford High School in 1970. In 1974 she was appointed to Assistant Submaster and then in 1993 she was elevated to the position of Submaster.

Ms. DePasquale has left a lasting positive mark on the class of 1995, that will never perish. On behalf of the Class of 1995, the faculty and the parents we thank you and wish you good luck to whatever the future may hold. And remember, once a Mustang, always a Mustang to the end.

# SUPERINTENDENT'S MESSAGE

**Dr. Philip F. Devaux**  
**Superintendent**

This is a remarkable time to be graduating from high school. The world is in an unprecedented period of transition. Every social, economic and political element of our society is changing at a pace almost impossible in prior history. During the four years you have just concluded at Medford High School, there has been the collapse of the Soviet Union, a reorganization of the European map, the election of a black president in South Africa and a shift in the leadership of our national House of Representatives that ends four decades of control by the Democratic Party. Crime and violence dominate our news services and even professional baseball ended its grand tradition called the World Series.

Those changes in the very fabric of your world can often be lost in the day to day needs of a high school student. The impact is often too distant and too diluted because we have developed a society that feeds on immediate and direct needs. This is particularly true of our youth. But with one relatively quick stroke, the awarding of a high school diploma, a change in life-style occurs. Gone will be the regimen of thirteen years. No longer will there be the predictable 180 days of school from September to June with its comfortable format of classes, lunch and activities. Regardless of your next chosen step, the expectation that you become significantly more independent and resourceful can be a very harsh reality. It is the hope of all staff in the Medford Public Schools that we have provided you with a broad and meaningful preparation for the world which you will now shape. By virtue of your graduation, you have indicated a capability to learn and adjust, to develop lifelong relationships and to be part of a complex environment complete with its own unique challenges, disappointments and rewards.

There is something very special about becoming an alumni of Medford High School. It represents a compilation of so many wonderful experiences that really began in your earliest childhood. Your graduation is part of a tradition and in some fashion or another, you have left an imprint as have thousands who have preceded you. On behalf of the Medford Public Schools, I wish you continued success.

# HEADMASTER'S MESSAGE

**Salvatore S. Todaro**  
**Headmaster**

I should like to extend to the members of the Class of 1995 my sincere congratulations for a job well done. You've demonstrated a high degree of maturity and sophistication during your four years of matriculation. Your positive outlook and attitude toward life have engendered a feeling of warmth and respect throughout the entire educational community.

All of you will venture into a world filled with endless opportunities for personal growth and self-fulfillment. The new challenge can be very exciting if approached with established priorities. Your commitment to achieve and to realize professional fulfillment and happiness will endure if each of you maintains an open and sincere dedication to purpose. Always remember to be flexible, realistic, and open to suggestions so that every avenue is explored to its fullest and every idea is intensely evaluated.

Society, as we know it is constantly in a state of materialistic change. The human factor always maintains a constant balance which makes life more constructive and beneficial to all. The humanitarian approach to solving problems will be received and respected by all segments in our society. The dissemination of your thoughts will bring about a cross-fertilization of ideas which will help humankind. To this end, the Class of 1995 will be called upon to make a meaningful and lasting contribution.

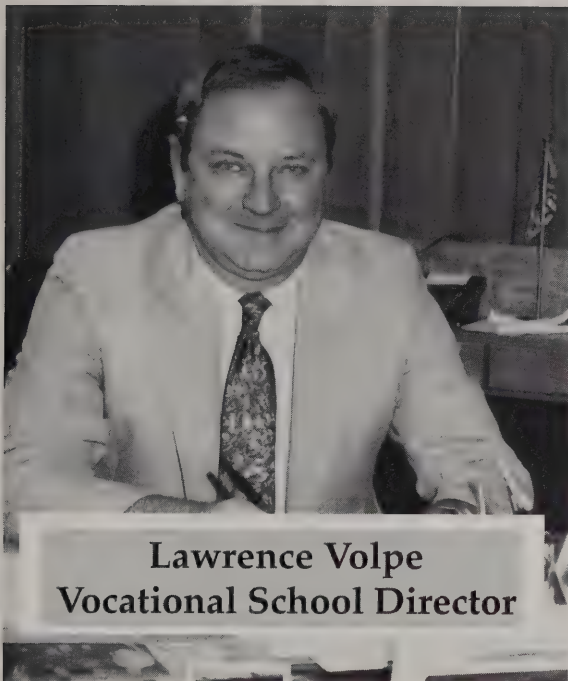

May you enter into your new adventure with the commitment to succeed, the desire to challenge, and the understanding to accept what may lie ahead. With the aforementioned in mind, I feel assured that your most treasured goals will not only be achieved but will be everlasting.

President John F. Kennedy's Address to Amherst College exemplifies many of the educational values gleaned by all of you during your four years of matriculation "...When power leads man toward arrogance, poetry reminds him of his limitations. When power narrows the areas of man's concern, poetry reminds him of the richness and diversity of his existence. When power corrupts, poetry cleanses, for art establishes the basic human truths which must serve as the touchstone of our judgment."

On behalf of the high school community, I wish each of you a life of fulfillment, buffeted by good health and good spirit..

# VOKE DIRECTOR'S MESSAGE

Congratulations and best wishes to the Medford High School graduating class of 1995. Your four years of hard work, dedication, and commitment have brought you to this milestone in your lives. You leave Medford High School as graduates who exemplify the following adjectives: bright, articulate, industrious, task oriented, reliable, dependable, adaptable, caring, and sensitive. You are the future of America and your four years of education at Medford High School will assist you in being among the leaders of tomorrow.

High school is a time characterized by fond memories: proms, luaus, banquets, winter carnivals, athletics and more. These are memories you will hopefully cherish forever. Our memories of high school evoke thoughts of a time when life was less complicated, laughing was easier, and friends were numerous. Life after graduation will bring you several challenges, whether they be in the military, college, or the workplace. Your education at Medford High School will guide you in meeting those challenges because it has given you the tools to meet each situation you encounter, and when you don't have the solution to a particular problem, you will have the problem solving skills to research a solution or the wisdom to know when you need to ask others for assistance. You are well prepared for all the future holds. Set your goals high, have a solid work ethic, follow the Golden Rule and surely success and happiness will cross your path. You are bright and talented young women and men who have what it takes to have a positive influence on society. The future is full of hope and wonder, and I ask you to live life to the fullest. In the words of a great philosopher: "Savor the moments of youth, because they all go so fast."

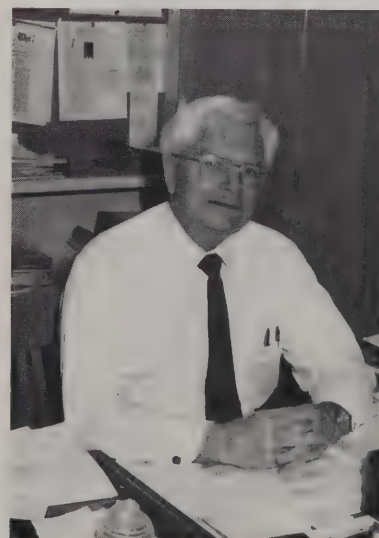

In closing, we need you as tomorrow's leaders, to head the campaign against domestic violence, AIDS, increasing national debt, drug and alcohol abuse, and the decaying fiber of family life in America. You can achieve this one person at a time. I would be remiss if I did not also praise the efforts of your parents and guardians for their essential role in your successful completion of high school. It can now be said that "Medford High School is a better place because of the Class of 1995. Good Luck and God Speed."

# April 30, '93...Sophomore Semi

The Sophomore Semi-Formal on April 30, 1993, held at Anthony's in Malden, was an exciting and memorable evening. It was the class of '95's first formal event of their high school years. The night was kicked off with an exquisite Italian feast and was followed by dancing to the sound of a DJ. All in all, a great time was had, even the teachers danced non-stop until 11:00 p.m. This was only the first of the many events we would enjoy as a class and because it was first, certainly was one of the most memorable.

a time, a place, a face  
I try to push them away  
but this just brings them closer  
I begin to look at each picture  
and realize how special they are  
I then discover that  
moments spent with them  
in the future will bring back  
memories and rekindle the  
moments spent with the loved  
ones today.

# Football

The football team coached by Bill Buldini and captained by Chris Jones, Keith Bevans, and Mike Bonner, had a rough start, but at the Thanksgiving Game, their true Medford High Spirit exploded and the Mustangs crushed our old rivalries Malden. Other seasonal highlights included the touchdown pass to Craig Skillman against Cambridge and the defeat of Somerville on their Homecoming Game. The final overall standings were 3-7 and they placed 6th in the league. "Thanksgiving showed that you should never give up," commented Coach Buldini.

Al Luongo, the coach, and the captains of the Girls Soccer team, Marisa Camarra, Heidi Cushing, Janelle Jordan, and Danielle Pappas couldn't have done a better job this season. The final league standing was 5 win-7 losses- and 2 ties. The final overall standing was 5 win - 8 losses and 3 ties. The Mustangs had a valiant year and placed 6th in the G.B.L. One of their biggest wins was their retaliation against Revere. They beat them 3-0 in their 2nd game with them after losing to them 3-2 in their season opener. Other highlights for them was a 0-0 tie with the Tufts University JV Women's team, when everyone played outstandingly and showed great team work. "Throughout the season, everyone basically pulled together and tried their absolute best. Now that the season is over, I look back and have no regrets. I know that there is nothing we as a team could do personally to change our situation," says Lungo.

# Boys Soccer

The boys soccer team, led by Coach Marotta and Mr. Scarpelli and captains Sean Mangan, Tory Marino, Mike Carbone, and Alex Cruz, did an exceptional job bringing the team to an 11-4-2. The team placed third in the G.B.L.. The season highlights include Mustangs coming from behind to beat Malden Catholic (2-1) at home Halloween night and also included them beating Cambridge (4-3). The Mustangs had a successful season despite the loss of Sean Mangan due to a sports injury. They were able to re-establish the MHS soccer program and winning tradition despite this adversity. "These soccer players represent the finest traditions of MHS soccer. Their character and attitude have made coaching them enjoyable and successful. They're a credit to their school and community," says Coach Marotta. An exceptional season was made possible by many of the players. Tory Marino and Alex Cruz made Eastern Mass All-Stars. The most improved player was Mike Carbone. Rookie of the Year goes to Ben Nickerson. A stalwart on defense was John Helbert. Lea Dahn and Frank Nentis did a good job contributing from the bench.

# Cross Country

The cross country teams blew away their opposition this year. Coached by Lou Ruggiero and headed by tri-captains Craig Fallon, Matt O'Connell, and Keeley Murphy, they ended with the final league standing of 6-2 in the G.B.L. and a final overall standing with them in 3rd place in the G.B.L. dual meets. The Mustangs swept Somerville, the first seven places were won by Medford. Danny Lynde placed 11th in the G.B.L. league meet and Pat Toomey won the Northern Area JV race beating 224 runners. With Matt O'Connell inflicted with an-injury early in September, the team needed upperclassman Lino Mancini to help bring the team to a win. He ran his personal record and had a good finishing place. He states, "The team was a veteran squad having seven seniors, the most in years." Three of the seniors, Craig Fallon, Keeley Murphy, and Matt O'Connell ran running since Freshman year and Lino Mancini has run for three years. Mike Kelley and Tim McCarthy have run both Junior and Senior years and Danny Lynde, and ex-basketball player, is a rookie to Cross Country. Lou Ruggiero says, "The G.B.L. was a tough league this year with Peabody and Cambridge having runners going to the State meets. I'm very proud of the hard work and dedication these boys have shown all season long." Their only loses were to "rivals" Peabody and Cambridge who are tough teams, but both meets were intense and challenging. The team shows promise next year with the experienced underclassmen: Dan Texiera, Billy Richard, and Pat Toomey. Lou Ruggiero explains, "It's going to be hard to fill seven seniors shoe's next year."

# Golf

The Medford High School 1994-1995 golf team, made up of a number of determined players who rose to every challenge this fall. Although golf is an underexposed sport, the players still have blue and white running through their veins. "I am very proud of our turnout this year. I would like to thank Mr. Jewett for his help and my fellow seniors Donny Skoog, John Shano, Tom Moschella, Joe Maccarone, Angelo Antidormi, and co-captain Jeff Bouldini for their participation. The seniors couldn't do it all by themselves, without the help of the underclassmen, led by Joey Roy", said senior captain Matt Marino.

The team's determination is not the only attribution to their success. The coach, Mr. Jewett, was always standing by to offer support and helpful tips. "I would like to thank Mr. Hickey for donating his time and effort in helping the team, and Matt Marino and Jeff Bouldini for their tremendous commitment as captains. I look forward to next year with the underclassmen strength led by Joey Roy", as was stated by Coach Jewett. The Mustangs qualified for the state tournament with their win over Arlington. Despite their intense rivalry and loss to the PeabodyTanners, the Mustangs ended the season with excellent standings.

# Girl's Basketball

Despite starting off to a slow start, the Lady Mustangs have battled their way back to a 9-3 record, and hold third place in the G.B.L. Led by senior co-captains Denise Pachan and Allison Campbell, the team has showed some true Mustang Pride in notching two impressive victories over tough G.B.L. rivals Peabody and Everett. Coach Ernie Ardolino comments, "The team has showed a lot of character." The outstanding efforts of returning veterans senior Janelle Jordan, junior Kristen McCormick, and junior Danielle Pappas, have contributed greatly to the team's success. Also, G.B.L. All-Stars Pachan and McCormick are ranked in the league's top four in scoring. The Mustangs are rich in young talent like freshmen Sarah Swett, sophomores Linda Ciulla, and Christine Cotto, and should continue to remain in contention of the G.B.L. title in the upcoming years.

Jeff Ford plans to poke this on in from a tough angle.

With a 11-5-2 record on the year (9-2-2 GBL) the Mustang ice-men appear to be galloping on in to the tournament. Medford has had an exciting season filled with some great games. The Revere game, which Medford won in front of the home crowd 9 - 1, helped Medford in the hunt for the Greater Boston League title, they are currently second place behind Arlington in a tough GBL. With Medford still waiting to play the Spy-ponders the Greater Boston League title could still be up for grabs.

This Charlie Driscoll coached team had a great season. Led by captain Jeff Ford as well as assistant captains Ryan Verity, John Sheehan, and goalie Jason Cullity. Jeff Ford has had an excellent season, steadily managing to give his all every night. Another standout senior is Jason Cullity who has constantly given great performances with five shutouts under his belt. Even though the team is losing six seniors they have some extraordinary youth. Returning next year will be junior Brian Mullis, who has an excellent chance of being captain of next year's team as well as Paul Camuso. Anthony Sarno has seen a lot of ice time and put in a few key goals in some important games, along with Sarno two defenders who have seen a lot of time are sophomore Joe Roy and freshman Mike Smith. Roy has had a couple of key scores in crunch time and has played steady defense for the

(Greater Boston League) meet February 3, 1995. The Mustangs strength came from the senior line-up including: Captain Jacque King, Captain Emily Mann, Danielle Peluso, diver, Cori Doyle, Steve Georgiopolis, rookie Jason Sweet, Michelle Garland and Nancy Olivio. The teams spirit and accomplishments are also attributed to our underclassmen, including: Chris Gallant, Ellen Toomey, Patrice Jewtt, Lisa Patturelli, Kris Lattig, Katie Yeager, Lisa Maciejewicz and Jeff Notaro. Medford will be sending five swimmers to boys sectionals on Feb. 23rd. and six swimmers to the girls sectionals on Feb. 16th. "Give me an M-E-D-F-O-R-D! What's that spell? Who's number one? we are! !! " Good luck swimmers. . . . For whatever the future may hold.

An undefeated Cori Doyle prepares for her next dive.

Indoor track and field has had a fantastic season this year. Coach Steve Mascoll and Tommy Lynch did a great job with their team and so didn't the captains Keeley Murphy, Craig Fallon, and Artie Mabbett. They are currently placed 2nd in the league. A few of the season highlights are the high jump team placed 5th on the North East Coast, and this is the Mighty Mustangs best record in 10 years. Plus, they almost won the GBL. Some outstanding veterans include Craig Fallon, Lino Mancini, Mike Carbone, Bill Richards, Daryl Stevens, Francis Ford, and Zhanu Bowden. Hey, way to go guys, lets show that Mustang pride!

# Boy's Basketball

Medford Mustang basketball is off an running this year, straight through the tournament. With a 10-3 record The Mustangs have had a stellar season filled with highlights. This record even boggles coach Tom Ryser's mind who when asked for comment stated that "I can't believe that we've won all these games," perhaps senior Roger Marceau put it best when he said "We're a force to be reckoned with." Medford lost to Cambridge, who twice pulled the rug out from under their feet in the second half. The other loss was an overtime loss by one point in the second half. who, as Ryser pointed out are out "are the only teams we've lost to in the past two seasons." If Medford were in any other division we would win it easily, the GBL is an extremely tough league."

Ryser feels the team has greatly benefited from the senior leadership on this team. Medford's own big three: Keith McNally, Kenny Bascomb, and Jean Bain have stood but out of the shadows came two dependable standouts Jason LoVerne and Chris Jones. Led by senior captains Jean Bain and 6' 8" center Keith McNally Medford has an

excellent crew of seniors, and it will be unfortunate to see them go. Even with the loss of the seniors, there are still some outstanding return players and some height including junior Adam Knight who shown some great skill during his time on the court. Along with Knight are the LoVerne brothers; Jason, a junior, and Justin, a sophomore.

This year was a great year for Jean Bain who during the Everett game scored his 1,000th point. Bain is also the GBL's leading scorer averaging around 28 points a game.

# High Five!

Denise Pachan was chosen by the High 5 team on News Center 5. The Feature, televised on Friday, February 3, recognized Denise for her outstanding achievements, not only in basketball, but in her scholastics and her music as well. When interviewing Mike Lynch, he had nothing but wonderful things to say about Denise.

When he was asked what set Denise apart from all the other students here at MHS, he said that it was her versatility to do many things and succeed. Mike Lynch said, "Denise should be considered as a role model to all the young adults. Her ability to do many things is inspiring to everyone." Mike Lynch and his camera man did a fantastic job interviewing Denise. The best part was when they wheeled the piano out onto the basketball court and had her play a piece on it as her teammates practiced around her. Credit goes to them for originality. MHS is very lucky to have someone like Denise on their team, she's a real team player.

## *MHS Band*

This year, we say good-bye to two seniors, Mark Aubin and Amy Cioffi. They contributed much to the band over the years with us and will be missed by all. We wish them much success in their future endeavors. With Scott E. Bullock, our new band director, we played on the sidelines encouraging the crowd and the football team through their season. Our holiday concert, which was a "merry" success, was also Mr. Bullock's first concert with us. The band made a cameo appearance by invitation of the graduated class of 1970 at their class reunion. There were fond memories for all. May the G-clef in the song of life have no flats!

# Looking back at the People behind...

In April of 1994, the juniors were invited to begin the arduous but satisfying task of creating a permanent pictorial record of another graduating class at Medford High School. Although the group was diverse, each always had two things in

common: a strong sense of commitment and being busiest and most involved seniors in the class. Sports, Student Council, part time jobs and a crammed academic schedule fill their year, and don't forget the college application and acceptance process. All this, and they found the time and talents to create a book that will become the only permanent record of the Class of 1995. Cover design, budget, advertising, photo schedules copy writing, page layout, figuring

out the computers, all blended into a blinding blur until May 1995 when the book was back and in their hands. Their sense of accomplishment will only be surpassed by my sense of admiration and gratitude to these young people for all their efforts, collaboration and the ordeals they have overcome. I speak for the school community when I thank each of these kids for contributions truly **"over and above"** what should be expected of any extracurricular commitment.

*Looking forward to looking back...*

*A still sea or body of water creates reflections - images that inspire our imagination to reflect upon yesterday's. When we arrived at Medford High School, we all were 'ponies in a sea of mustangs.' Through the years, we have grown individually and made our mark here at Medford High School. As we look forward to our future, we reflect back and look upon memories that can never be destroyed, but will grow in depth and in significance over time.*

*No longer insecure, dependent "ponies", we the class of 1995 are stronger and better equipped to face the challenges that may cross our future paths.*

*Individually and collectively, we are part of history here at Medford High. We are now one, we are the Mighty Mustangs - Class of 1995!*
